- Vanessa Hendrikson explained student literacy evaluations and progress. Students are working on combining sounds, syllables, and reading GB+ leveled readers. Running records and Lalilo are evaluation tools for teachers and preliminary results are being calculated.

- Seesaw is our secure distance learning platform but is also used to share student progress with families through pictures and videos.

- Marketing/fundraising
 - Watching the budget. No additional advertising for the moment.
 - Resuming social media advertisement December/January to help in the recruitment process.
 - Benches are booked in advance for the spring. 10 of them, early booking to secure good locations.
 - Need to form marketing and fundraising committees. Invite families to join/ volunteer in marketing and fundraising efforts/committees
 - Need to finalize the profile on mngive.org.
 - Afterschool program has been successful and if enrollment stays consistant we can expect up to \$10,000 profit.
 - Check with the private sector for sponsorship. Major business help through donations.
 - Valley fair gives donations to organizations that send volunteers to Valley Scare.
- Budget CSP Grant movement of funds, COVID funds
 - Budget has been updated since the summer by our business

manager, Josh Mahlen. It has been sent electronically to all

- board members.
- Next board meeting vote on the updated budget.

- We are in the $1^{\mbox{\tiny st}}$ implementation year of the CSP Grant. There

were approximately \$27,000 of remaining funds from the pre-

operational year of the CSP Grant. Many of these funds were

not spent due to COVID. In-person Professional Development

was cancelled, travel and transportation were modified, certain

items could not be ordered, student numbers changed and a

reevaluation of funds was required. The funds from the operational year will be transferred to the

implementation year

of the CSP grant.

- A special Covid grant was awarded to the school. \$6500 are to

spend before December 31st on cleaning supplies and chromebooks in case of distance learning.
