A group of five diverse children are playing tug-of-war on a bright green artificial grass field. They are all smiling and pulling on a thick white rope. In the background, there is a modern building with large windows and colorful panels in red, yellow, and blue. The scene is brightly lit, suggesting a sunny day.

A hand holds a tablet computer which displays the word "STEAM" in large white capital letters. The background is dark blue with a grid pattern and various icons representing different fields: a speech bubble, a bar chart, a pie chart, a line graph, a gear, a star, a magnifying glass, a book, a person icon, and a hexagonal molecular structure. The entire image is framed by a red border at the top and bottom.
