Administrative Assistant

Bonjour! I am from the Champagne area in Northeastern France. I came to Mn in 1993 as an AuPair to perfect my English for a year. In addition to improve my English I met my husband, had and raised two lovely children and stayed in MN. I survived many winters (hahaha). For 17 years I was part of many beautiful creations with Dayton's making dreams come true for children and adults. I was part of a crew sharing our gift sewing, and building, painting props for the creation of marvelous X-mas and flowers shows.

I always enjoy spending time with children, learning from and with them. I switched career to work in elementary schools in the district with children in need for 10 years.

As French, I always wanted to keep my love for the french language and culture. I volunteered last year at Notre Ecole in the classroom and for the year 22-23 I am happy to join the team for support and growth.

Outside school I keep spending time with family, nature, camping, traveling, practicing and teaching yoga, and making stuff and non sense with clay (pottery).
